

Coming to the world in 2012. Get ready!!!

The Traig'hen Path™

A CHILDHOOD DREAM TO HELP BUILD A BETTER WORLD, NOW!

Kanata and The Rockstar Alliance™

The origin of the name of my home country, *Canada*; it means "village". *Kanata and The Rockstar Alliance™ (The KRA™)* is an idea from childhood of creating a musical entity bringing people together in purposeful unity. It will travel and touch down in communities seeking to build peace and prosperity through real unity. It will work with artists and campuses, companies and communities to create times and spaces of a unity that is practical and powerful, *moving forward*. Chat with us.

nineFOXES communications Camps™

nineFOXES™ is about youth. These camps will be mobile, running a week at a time... organized by campuses, companies and/or communities... mobilizing artists with youth in a *fun and intensive kick start kind of way* to awaken creativity that can build a better world. At *nineFOXES™*, youth will be exposed to music, dance, theater, writing, speaking, cartooning and more, partnering with local resources to create spaces encouraging the constructive creativity of youth to flourish.

Skraelings unConventions™

Skraelings is the name given by the Vikings to the Beothuck, the first aboriginals encountered in the "new world" in 1,000 A.D.. It was *first contact* between the people who moved east and west from Africa so *very* many years ago. *Skraelings unConvention™* is about "first contact", working with campuses, companies and communities to build open spaces of dialogue, bringing local perspectives together, without agendas, to help build stronger, more purposeful, healthy and united communities.

The hUmAnITY Circle™

The hUmAnITY Circle™ is about us; all of us. There is no "them" here. This is about the creation on an online village of construction. My father was a man of construction. I did not share his genes for the bricks and mortar and wood. I do share in his love of building... communities. This is a place for those interested in unity; practical, powerful unity... to come together and share successes, ideas, constructive and engaging thoughts; to connect and ally, and build unity. Join "us".
