

ConnActions™ is all about building unity, face to face and through the virtual. It is about creating communities that work, play and grow together... built stronger and ready to change and improve their corners of the world. It is about building stronger professional associations and working groups, teams, communities, campuses and more. Want to bring everyone together and discover how to move forward stronger, more energized and united... with our commonalities and differences as strengths? Engage us. We're ready! Are you?

Barry Lewis Green

Expert Speaker/Trainer on
Organizational Unity and Success

Barry works with youth and adults, organizations, campuses, companies and communities seeking to foster cultures of tangible, taste-able unity, purpose and joy. His expertise is **organizational behaviour and development** and what he calls **S.M.A.S.H. Leadership™** and **M.E.S.H.™ Management**. He is a **Virtues Project™ Master Facilitator**, **Personality Dimensions™ Facilitator**, business educator and writer, and connects work on spirit, mission, execution, success and happiness to help create sustainable, empowering, *united* cultures of joy and purpose at work, school, home and community. A karaoke rocker, dancer, archer, football fanatic and cartoonist, he has audiences singing, dancing, aiming, tackling and drawing upon their strengths. A tornado, breeze, and gentle wind *all in one*, Barry champions a practical and powerful message to the public, private and not-for-profit sectors... engaging audiences, with a bounty of humour, passion and integrity.

Christina Lopez

Expert Speaker/Trainer on
Connecting through Technology

As the owner of Boundless Connections, LLC, and a **Certified Master Facilitator of the Virtues Project™**, Christina manages community based projects and training that transforms ideas into reality by paying close attention to opportunities to connect and engage with others. She has become a master at creating the space and awareness of the connections needed to do the extraordinary - unleashing untapped potential, and ultimately contributing to a close-knit, dynamic community. Christina specializes in applying the 5 strategies of the Virtues Project™ to close the gender gap - helping men and women work together. She also has a Bachelor degree in **Software and Application Development** and brings 15 years of hands on experience as a **web programmer** and **IT Project Manager**. She continues to rely on this background to help people connect by using technology in meaningful ways.

CONFERENCE BREAKOUT SESSIONS

Connect with Tech™

Spend 1-3 hours exploring how to use technology to build, maintain, and advance the relationships needed to accomplish great things. This session is highly engaging and interactive, imagination provoking and funny. It is really about guided discovery. Christina conducts her audiences through a process of drawing out the answers on how technology can truly improve the quality of our work, relationships and life. There is no cookie cutter stuff here. Find what works for you.

Damn, Your Cool!™

Spend another 1-3 hours examining the nature of personality, perception and how we see each other. This session is about understanding how both our similarities and differences are truly strengths and provides strategies for engaging all on our teams in ways that make our work great, our relationships richer, and our lives extraordinary.
